

HF RESOURCES

Redefining the concept of care

HF Resources Inc. requires the following positions:

Position: Home Operator

Program: Home Operator for a sibling group of three.

Hours: Sunday afternoon throughout the week until Friday afternoon.

Salary: to be negotiated.

Competition: HO-0001

Home Operators provide live-in care and support to sibling groups of teens, children and/or youth. More specific, we are recruiting for a sibling group of three ages 7 years and under. This candidate would be required to reside in the home as it is a *live in* position. The position comes with the option of making this your permanent residence and is ideal for a couple with or without children of their own

Home Operators are required to reside in the home five days a week with respite coverage routinely on the weekends.

We provide:

- Excellent wages and respite care
- Benefit plan after 3 months
- A furnished home
- Ongoing training
- All living costs, including: cable, food, recreation, phone and computer.

As one of the ideal candidates, you possess:

- Preference given to Diploma/Degree in Human Services
- Criminal Record Check including vulnerable sector search
- Intervention Record Check
- Medication Administration Certificate
- First Aid/CPR Level C
- Crisis Intervention
- Self Harm
- Suicide Awareness
- Aboriginal Cultural Awareness (6 hrs)
- Diversity Training (4 hrs)

People of Aboriginal Descent Are Encouraged to Apply.
