Elk Island Child & Youth Ranch Inc Seeking Dynamic, Team Oriented Child and Youth Care Workers

Elk Island Youth Ranch respects the uniqueness of each person, and commits ourselves to empowering our clients to create positive change, and to develop a strong sense of self worth. We strive to provide an environment in which clients will learn to value themselves, and to allow themselves to expect a positive future.

We offer five long-term treatment programs to males and females aged 13-23 years with various behavioral and emotional challenges that cannot be managed in a foster home, or a remedial group care program. We strive to provide the highest quality of care to our clients as well as a family like environment. We involve the residents in the community, striving to give them as much of a normalized life as can be achieved while living in care.

Elk Island Child and Youth Ranch, located in Lamont Alberta (45min NE of Edmonton), is an accredited group care program with a designation in Intensive Treatment, Aboriginal Programming and Special Needs. If you are a dynamic, team-oriented child and youth care worker then you may be the person we are seeking for our treatment programs.

We are currently recruiting for full-time Child and Youth Care Workers, Awake Night staff and Relief positions. Childcare positions involve rotating day and evening shifts. The night staff positions require light supervision and janitorial duties. Hourly rates range from \$15.75 - \$17.80 per hour. Benefits are available.

Experiential knowledge of Aboriginal culture is an asset for all positions. These competitions will remain open until successful candidates are found.

Please indicate the position you are applying for when sending your resume and cover letter. If possible send along with your resume a clear Criminal Record and Child Welfare Intervention Records Check, this will allow us to speed up the hiring process.
